We are sad to leave, but very happy that we had the privilege to spend 10 days in this beautiful house, with this beautiful garden, in this stunning environment.

The most important memory will be the flowers, the ceaseless chant of birds, and your great hospitality, Barbara and Marco! You have been great hosts!!

We had great excursions to the cities around, Verona, Mantova, Vicenza, Padova, Ravenna... but most, we will miss this haven of peace and beauty.

Time is always too short, and
we think we should have spent
more hours in the garden, the two
Villas, and the surrounding hills.

The best to both of you,
Barbara and Marco!

We have spent a most enjoyable holiday in Veneto and Dennis Rosarium is worth every praise we read on the Internet.

The garden is something to remember but what about the house, roomy comfortable and decorated with such taste.

We can only be sorry to leave such wonderful hosts as Marco, Barbara and their lovely kitties.

These two weeks are already over and we can't believe we will be on the road tomorrow morning. We'll definitely

Keep in touch and wish you
the very best.

Take care -

Mi dispiace tanto già scrivere queste linee...

Era meraviglioso di trascorrere questi 15 giorni con voi... A noi piace molto il Varese!

Spero che torneremo qui l'anno prossimo! Vi invierò una cartolina di Sicilia in Ottobre". Spero che la pizza era buonissima e che avete avuto dei buoni momenti con noi!

Thank you for the very warm welcome and pleasant stay in this house, in which one can see the very good taste and spirit of Marco and Barbora which made the holiday very special. But as due to the very very beautiful landscape and the rich variety of outdoor possibilities we couldn't enjoy the house as much as we would have liked to. We all liked Barbora and Marco from the first moment and of course we loved the cats! We hope we can come again to stay with you one.

The very best wishes for you

We have loved our week in Argua Petrarca. From the moment that Barbara came to guide us to Domus Sambac, we enjoyed warm hospitality, exciting day trips, delicious meals, and the company of friends in this beautiful home. We look forward to spreading the news about this splendid destination so that others can discover its magic, too.

Grazie Barbara & Marco!

Wir haben unseren Aufenthalt in diesem Haus trotz schlechtem Wetter sehr genossen. Barbara und Marco haben uns sehr herlich empfangen. Sie waren überaus freundlich, und hilfsbereit.

Die Art und Einrichtung des Hauses übertrof unsere Erwartungen.

Wir werden uns an diesen Urlaub gerne erinnern.

Barbara und Marco wünschen wir alles Gute für die Zukunft. Mögen Sie ihre herzliche und hilfsbereite Art behalten und ihre italienische Freundlichkeit an noch viele Besucher weitergeben können.

Danke Barbara
und Marco!

This has been an amazing week! Domus Sambac, (Rosatum) has been a perfect "home" away from home. We've been able to explore the Palladio villas / monuments = our objective for this trip. We must return, because there is so much left to be seen.

Barbara, Marcos, thank you for your kind hospitality. You two are such kind, thoughtful & generous hosts. We wish the very best for you! It would be great seeing you in PA some day. Our doors are open.

We enjoyed Veneto, Colli Euganei.
There are many places to discover:

Dear Barbara and Marco,

Your presence here has enhanced our experience of Veneto. You welcomed us and delighted us with generous sharing of your Domus and your knowledge of the area. I especially have benefited from kind lessons in vocabulary and pronunciation of Italian. Maybe grammar can be the subject of future lessons if we are lucky enough to return to this lovely place.

We would be honored to return the favor of hosting you when you travel to the U.S. for Marco's birthday in 2013.

While Athens is rather prosaic in comparison with Argos, Petraia, I believe the mountains of Western North Carolina would be a place of beauty that you would enjoy —

Complete with wild flowers and
bears just out of hibernation,
until next April we leave with
gratitude,
